Deport, Texas

Foreword

Learning through experimenting, discovering, reading, solving ... learning through playing, singing, winning, losing ... learning through doubting, suffering, asking - this is a history of our past school year. Tomorrow it will be only a memory. We, the staff, have been dedicated to the purpose of recording these memories for your pleasure in this 1970 edition of The Acorn.

Sincerely,

The Acorn Staff

Dedicated To The Memory Of

DONNIE EPPS
Killed in car wreck June 20, 1969

It is not growing like a tree
In bulk, doth make Man better be;
Or standing long an oak, three hundred year,
To fall a log at last, dry, bald, and sere;
A lily of a day
Is fairer far in May,
Although it fall and die that night--
It was the plant and flower of Light.
In small proportions we just beauties see;
And in short measures life may perfect be.
